

Activated Scale Remover

Product Specifications

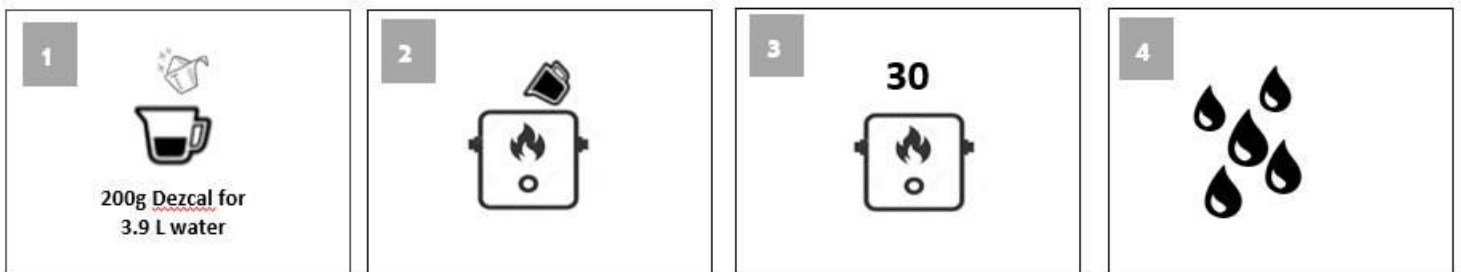

Features

- For use with MLP71650 Tankless Water Heater Descaler Pump Kit (7 oz packet)
- Removes scale, lime, mineral deposits and rust from tankless water heaters
- Regular descaling will improve heat transfer and efficiency
- Solution is non-toxic, biodegradable, non-flammable and completely safe for equipment
- Can also be used to maintain faucets, spray heads, and commercial coffee equipment.

MLPDEZCAL

Installation Instructions

1. Create a descaling solution using 200g of MLPDEZCAL for each 3.9L of warm water. Stir to dissolve.
2. Add descaling solution directly to the machine's reservoir, or as recommended by the manufacturer.
3. Hold solution in vessel for up to 30 minutes.
4. Discard descaling solution and rinse water reservoir with clean water prior to use.
